DECLARATION

Toxic Substances Control 6h and Poly/Perfluoroalkyl Substance (PFAS)

July 2025

To the best of our knowledge, Semiconductor Circuits, Inc does not intentionally add or contain any of the bio accumulative and toxic (PBT) chemicals reported under the TSCA Inventory Notification (Active-Inactive), nor Per-and Polyfluoroalkyl Substances (PFAS) as a raw material or processing aid in the manufacturing of our products.

This information is based upon information provided to us by the suppliers of raw materials, components, assemblies, and processing aids used to manufacture our products.

Semiconductor Circuits Inc., to the best of our abilities, relies on our component, assemblies, and material suppliers to monitor consumer safety and ensure compliance with all international, federal, state, and local regulations of TSCA and PFAS substances. It is the responsibility of the manufacturer or importer of the material/components to determine consumer safety and ensure compliance with all international, federal, state, and local regulations of PFAS or PFAS substances.
