## Reach Declaration

Semiconductor Circuits, Inc does not manufacture "substances" or "preparations" and our processes do not involve the "intentional release of substances". This document also certifies that NO Semiconductor Circuits, Inc. products contain >0.1% of the REACH Substances of Very High Concern (SVHC), as specified in the Candidate list published by ECHA (European Chemical Agency) under the provisions of Regulation No. 1907/2006, 191 SVHC update, 27 June 2018.

The above compliance statements are based on Semiconductor Circuits best information resulting from supplier surveys, supplier provided data, and a reasonable level of "due diligence". We believe the information is accurate as of the date indicated on this document. This certification does not modify or alter the terms of any contract or purchase agreement that exists between Semiconductor Circuits, Inc. and purchasers of said products.
